## LYRICS

### MAMA WE STILL LOVE YOU

Papa left when we were young and left you on your own  
You struggled hard to make ends meet and build a happy Home  
You married twice to make a home, mama you sure tried  
Though times were tough we never knew, the tears you held inside

Your little kids have grown and gone with families of their own  
The years have moved us all away and now you're all alone  
We should get together, all the kids and you  
And wouldn't it be wonderful if papa he came too

#### CHORUS

Mama we still love you, we often speak your name  
We don't write too often, but we love you just the same  
Please don't think that we don't care, 'cause mom you know we do  
We may not show it every day but mama we miss you.

I can still recall the day I said good-bye to you  
I had to try it on my own that's something we all do  
It must have broke your heart because this time you couldn't hide  
The pain that burned within your heart, oh mama how you cried.

You've given us sweet memories that time cannot erase  
A love we learned to know so well that nothing can replace  
I know I speak for all of us, 'cause we all feel the same,  
If loving you so much is wrong, then mama you're to blame.

#### CHORUS

Mama we still love you, we often speak your name  
We don't write too often, but we love you just the same  
Please don't think that we don't care, 'cause mom you know we do  
We may not show it every day but mama we miss you.  
We may not show it every day but mama we miss you.
