LYRICS

THANK YOU FOR PASSING THROUGH MY LIFE

What a ride it was
Living in the fast lane
We lived hard and loved hard
Day after day, long into the night

Together we sampled the thrills of love
Seeking the forbidden fruit of others passions
An overwhelming relationship
Full of lust, yet so full of love

Chorus:

Thank you for passing through my life
Thanks for the love that we shared
And those haunting lingering feelings
And most of all, knowing that you once cared

The destructive nature of intense love
The emotional lure of having you around
So many strong emotions,
The ups and the downs

Such a love could not endure the test of time
But I want to thank you for the memories
For the love that we shared
But most of all, I want to thank you for passing through my life

Repeat Chorus twice
